

Continuous and Highly Reliable Work

- ◆ The counterbalanced ICE fork trucks of the E/E-PLUS series have realized the perfect combination of work efficiency and economy. With high reliability and durability leading the industry, the E/E-PLUS series can meet your requirements of uninterrupted operation under high loads.

Simple, Easy to Use and Safe

- ◆ As a basic tool for logistics handling, the truck is both simple and easy to use and reliable and durable. The operators get on and off the truck more conveniently as there is a larger space for their head and legs in the truck. Furthermore, the thicker and stronger overhead guard protects the safety of the operator properly.

Durable Design

- ◆ The E/E-PLUS series can easily meet the application requirements of the harshest loads and the uninterrupted operation in a long period with their engineering design through engineering analysis and validation.

Parameter Table of 3-5T Counterbalanced ICE Fork Trucks of PLUS Series

	Model		CPC30	CPCD30	CPC35	CPCD35
General	Name of product		XG530-D5	XG530-DT5	XG535-D5	XG535-DT5
	Rated load	kg	3000	3000	3500	3500
Performance	Maximum traveling speed (full/no load)	km/h	20/21	20/21		
	Lifting speed (full /no load)	mm/s	450/480	450/480		
	Lowering speed (full /no load)	mm/s	420/400	420/400		
	Dead weight of truck	kg	4270±5%	4270±5%	4550±5%	4550±5%
Engine	Model		Xinchai4D27G31	Xinchai4D27G31	Xinchai4D27G31	Xinchai4D27G31
	Rated power/ rotation speed	kw/r.p.m	36.8/2500	36.8/2500	36.8/2500	36.8/2500
	Maximum torque/ rotation speed	N.m/r.p.m	156/1700-1900	156/1700-1900	156/1700-1900	156/1700-1900
	Stage of exhaust		National stage III	National stage III	National stage III	National stage III
